SELECTION CRITERIA

The recipient of an SUT scholarship award will be selected on the basis of the following criteria which are listed in order of importance.

Scholarship – This criterion shall be evaluated on the basis of the applicant's grade point average or its equivalent. A grade point average of not less than a 3.5 is required. You must submit your official college transcript to be eligible.

Career Goals – This criterion will be evaluated by assessment of a 500-1000 word typewritten essay. The essay should specify the career objectives of the applicant and should outline the academic program required to achieve those career objectives.

Recommendations – Each new applicant must include no more and no less than three (3) typewritten letters of recommendation. Individuals seeking renewal shall comply with the requirements outlined above in item six (6) of the section entitled "Eligibility." Recommendations from relatives will not be accepted. All letters of recommendation may be attached to the application or sent directly to the Director of Scholarship Programs at SUT at the address listed below in item three (3) of the section entitled "Administration of the Scholarship Program." Recommendations must be postmarked by June 15. Any application or recommendations postmarked after this date will not be considered.
